Who should attend? Any entrepreneur interested in determining a long-term strategy with clear objectives for their business.

Ernest Corbett is the founder and owner of the Century Property Developments, Tintswalo Lodges and Tintswalo Property Group. Emerging from a humble background with basic education, Ernest set out to teach himself the tricks of the trade, which he acquired through years of hard work and hands-on management. Putting all that he had into his business, this self-made business icon demonstrates the pure determination required to succeed. Ernest is known for his business tenacity, delightful humour, and his generous spirit. He is a leader loved and admired by those who follow him.
