TOPIC: WHAT TO DO WHEN THINGS DON'T GO TO PLAN

Every time something doesn't go to plan, I like to use it as a learning experience, and share my feelings and findings with other entrepreneurs and business leaders. Over the years I've had to say goodbye to a few products, suppliers, staff members, business partners, relationships and companies, but in doing so I've learned some vital leadership lessons that I'd like to share.

Refuel with a jolt of **FREE FILTER COFFEE AND BUY A MUFFIN OR CROISSANT** to enjoy while you engage in a discussion about the importance of networking.
