TOPIC: THE IMPORTANCE OF FOCUS FOR EVERY ENTREPRENEUR

“You will get what you want, when you stop making excuses on why you don’t have it.”

For most start-up entrepreneurs, the journey feels like juggling eggs whilst riding a bicycle... blind folded. Focus is one of the single most important traits for entrepreneurs.

Join us for an open conversation on WHAT we should be focusing on as start-up entrepreneurs, as well as strategies to ensure we stay focused.

Refuel with a jolt of **FREE FILTER COFFEE AND BUY A MUFFIN OR CROISSANT** to enjoy while you engage in a discussion about the importance of networking.
